▶ **THE DANIEL CREMIEUX FLAGSHIP SHOP**

The **Daniel Cremieux Flagship** shop is located in Paris's ultra-chic and stylish Saint-Germain-des-Prés area. This brand new luxury boutique is a concept store with extremely modern architecture. It was designed using noble materials and a masculine color palette. The originality of this store also reveals its personality in its visual display—the uneven silhouettes, designer armoires, and elegant cashier stands create a relaxed yet sophisticated atmosphere.
